

Appl. No. 10/799,913  
Amdt. Dated February 3, 2005  
Reply to Office Action of November 3, 2004

Docket No. CM06187H  
Customer No. 22917

### REMARKS/ARGUMENTS

Claims 1-23 are in the application. Claims 4, 6-8, and 12 have been withdrawn. Claims 1, 5, 9, 13, 15, 19, 21, and 22 have been amended. Claims 23 and 24 have been newly added.

In the Office Action dated 3 November 2004, the Examiner indicated that Claims 6-8, 13 and 14 would be allowable if rewritten in independent form to include all of the limitations of the base claim and any intervening claims. In response, Applicants have rewritten the affected claims to place the application in condition for allowance.

Specifically, Claim 1 has been amended to include the limitations of Claims 4, 6, 7, and 8. Further, Claim 13 has been amended to be rewritten in independent form. The dependencies of the other claims have been changed to reflect dependence on the proper independent claim.

Further, Claims 23 and 24 have been added to reflect an embodiment relating to "a second type of information." Reference to this limitation is found in the specification on page 6, lines 3-24. Thus, no new matter is added by the addition of these two new claims.

The Applicants believe that the subject application, as amended, is in condition for allowance. Such action is earnestly solicited by the Applicants.

Please charge any fees that may be due to Deposit Account 502117, Motorola, Inc.

Respectfully submitted,
